Help A Local Youth To A Better Life & Future

LAPD Pacific Division Junior Cadets are from 9 -12 years in age and Cadets are 13 - 21. Many come from challenging backgrounds but with the support and direction of the cadet program, go on to college, military academies, and/or the police academy! The success stories are priceless in value and very special in deed

For a youth to be accepted in the Junior Cadet and/or Cadet program, there is an application process and school grades must be maintained at a certain level.

With your \$400 gift you will receive a thank you letter from the cadet you sponsor, a biography of the youth, and a certificate of appreciation from The Pacific Area Boosters Association. You'll love knowing you helped one of our amazing youth to a better life.
